

JHON RHEY F. BELCIÑA

Cebu, Philippines | +639064629461 | belcinajhonrhey@gmail.com

OBJECTIVE

My objective as a software engineer and IT student is to develop cutting-edge software solutions by utilizing my technical knowledge, analytical abilities, and creative thinking. I want to work with a variety of teams to create user-friendly applications that improve user experiences and business operations. I am committed to being up to date in the IT sector and advancing software engineering by embracing emerging technologies and continuing my lifelong learning, and I am proficient in Java, Spring Boot, and React.js.
